To: Stephen Giles

Congratulations on your nomination for the Allied Health Research Award for 2007.

The AH Research Award recognizes an AH staff member or group/team who has made a significant contribution to Allied Health Research and to the Allied Health Research Enterprise at UHN.

Comments on your nomination included:

"Stephen has been involved in many research projects, has received funding from AH in 2006 and 2007, mentors social work research, and was a member of the AH Research Committee 2002-2003."

"He has published 4 articles and many abstracts in the area of psychosocial aspects of chronic illness. Stephen has presented in Europe, USA, Middle East and in Canada."

Congratulations on behalf of the leadership team!
